

EMS and Firefighter Career Connection

November 2, 2024 | 10:00 AM - 1:00 PM

1000 W Campus Drive Wausau WI 54401 | Center for Health Sciences (Room 1004)

Ready to take the next step toward a heroic career? Join us at the EMS and Firefighter Career Connection for a chance to meet top employers in emergency medical services and firefighting.

We are seeking individuals who are passionate about helping community members in their greatest time of need, whether through volunteer service or paid positions.

WHAT TO EXPECT:

- **Meet Industry Leaders:** Connect with local fire departments and EMS agencies.
- **Career Guidance:** Learn about job openings, certifications and what it takes to thrive in this field.

This event is your gateway to a rewarding future in saving lives and protecting your community.

WHY ATTEND?

- **Exclusive Opportunities:** Get access to job openings before they are made public.
- **Network:** Build connections with professionals who can help you launch or advance your career.
- **Stay Informed:** Learn about the latest trends and qualifications in the firefighting and EMS world.

WHO SHOULD ATTEND?

- Aspiring Firefighters
- Paramedics
- Critical Care paramedics
- Advanced EMTs
- EMTs
- First Responders
- Students & Graduates
- Experienced Professionals looking for new opportunities

Gear up for your future in firefighting and emergency medical services.
